

COMPANY PROFILE 2026

[Corporate Philosophy]

"Contributing to Tomorrow"

Your partner in creating happiness and bringing a bright future to people, society and the environment.

[Corporate Culture]

"Challenge & Change"

We regard changes in the environment
as good business chances,
and will challenge daringly on our own initiative
and continue to change to better ourselves.

[About Company Name and Logo]

On March 28, 2001, Nikko Shoji Co., Ltd. marked a new start as JALUX Inc. The "Lux" in JALUX is a Latin word meaning "light" and "brilliance".

The arc of the logo is an image of the earth and the light of the sun, and it represents JALUX's desire to deliver brilliance to customers and business partners and carry the future through our products and services. The combination of upright upper and lowercase typefaces expresses a sense of stability while also expressing a sense of luxury and lightness.

Jalux

Message from the CEO

Toshiaki Kasai

Representative Director & CEO

Toshiaki Kasai

Since our founding in 1962, the JALUX group has leveraged over 60 years of expertise in the aviation and airport business domains to expand into life services, retail, and food and beverages. By adapting to the changing times and building a business portfolio unique to the JALUX group, we aim to continue providing products and services that our customers can rely on for many years to come.

To achieve this, we strive to embody our corporate philosophy, “Contributing to Tomorrow - Your partner in creating happiness and bringing a bright future to people, society and the environment,” across all our business domains. By empowering each employee to take initiative and grow, we are committed to delivering even greater value to our customers.

Furthermore, at the core of our business is a focus on human capital management. To realize the happiness and prosperity of our employees and their families, we will continue to foster a workplace where each individual can thrive with vitality and enthusiasm.

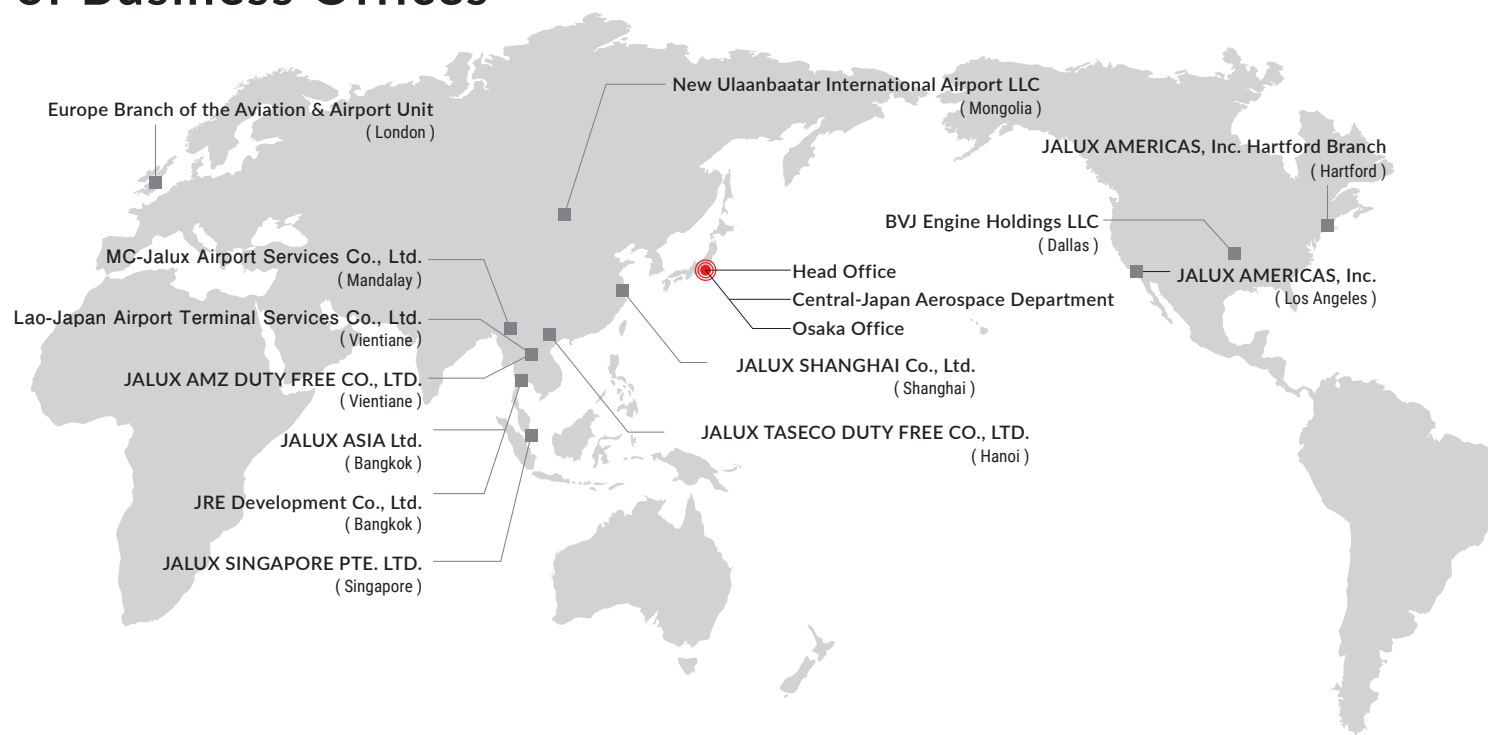

Moving forward, the JALUX group will continue to provide products and services that anticipate customer needs with a future-oriented mindset and contribute to fostering connections between people. We will fulfill our role and responsibilities as a member of a sustainable society, and push forward with tireless transformation and growth. We sincerely appreciate your continued support and guidance.
